**QUARRYING 2007 – ABSTRACT
DES CAULFIELD**

Future workforce for the future workplace

Some industry commentators are concerned as to how a potential labour and skill shortage could affect the growth and competitiveness of our industry's operations.

- What can we do today to ensure our future?
- What are the future workforce skills needs for the future workplace?
- Workforce Planning and Development, what does it mean for the industry?
- What can the industry do to protect, maintain and grow a skilled workforce?
