## Challenges

## Our approach

## Policy

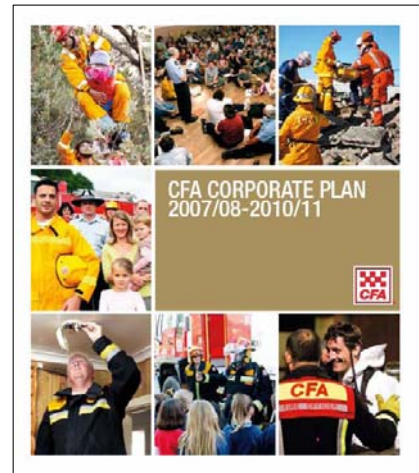

Wherever possible, we will protect the environment, while maintaining safety, efficiency and effectiveness

# Strategy

# Performance measures

Environmental damage is minimised

Emergency management plans address environmental risks

Municipal fire management plans address environmental risks

CFA's environmental footprint is minimised

Training, policy, guidelines and project documents adequately address environmental risks

## Tools and training

## Reconciling conflict

# Learning

Yanakie Brigade  
Finalist, 2004 Banksia Environmental Awards

# Spreading the message

## Supporting brigades

## Supporting individuals

## Supporting business units

## Supporting business units

## Management leadership

'We all need to make climate change action  
a part of our every day activities...'

Neil Bibby, CEO

## Executive team objective

- A Learn about climate change
- B Promote discussion
